The personnel office received an email requesting a “list of staff broken down by age and sex.” The personnel officer wrote back, “Attached please find our staff list. We currently have no one broken down by age and sex, but we’ve got a few alcoholics.”

Snow Birds

A Minneapolis couple decided to go to Florida to thaw out during a particularly icy winter. They planned to stay at the same hotel where they spent their honeymoon 20 years before. It was difficult to coordinate their travel schedules. So, the husband flew to Florida, and his wife was flying down the following day.

The husband decided to send his wife an email after he arrived at the hotel. However, he accidentally left out one letter in her email address, and with out noticing his error, sent the email to the wrong address.

Meanwhile....somewhere in

Houston...a widow had just returned home from her husband’s funeral. He was a Minister who was called home to glory after suffering a heart attack. The widow decided to check her email, expecting messages from relatives and friends. After reading the first message, she screamed and then fainted.

The widow’s son rushed into the room, found his mother on the floor, and then glanced at the computer screen which read:

To: My Loving Wife

Date: June 12, 2007

Subject: I have arrived!

Dearest Love:

I know you are surprised to

hear from me. They have computers here now, and you are allowed to send email to your loved ones. I have just arrived and been checked in. I see that everything has been prepared for your arrival tomorrow, and look forward to seeing you then. Hope you journey is as uneventful as mine.

P.S. Sure is freaking hot down here!

By all means, marry. If you get a good wife, you’ll become happy; if you get a bad one, you’ll become a philosopher.

BBQ Rules

We are about to enter the summer and BBQ season. Therefore it is important to refresh your memory on the etiquette of this sublime outdoor cooking activity, as it's the only type of cooking a 'real' man will do, probably because there is an element of danger involved.

When a man volunteers to do the BBQ the following chain of events are put into motion:

1. The woman buys the food.
2. The woman makes the salad,

prepares the vegetables, and makes dessert.

3. The woman prepares the meat for cooking, places it on a tray along with the necessary cooking utensils and sauces, and takes it to the man who is lounging beside the grill—beer in hand.

Here comes the important part:

4. THE MAN PLACES THE MEAT ON THE GRILL.
5. The woman goes inside to organize the plates and cutlery

“Just Give The Old Rednecks a Holler”

6. The woman comes out to tell the man that the meat is burning. He thanks her and asks if she will bring another beer while he deals with the situation.

Important again:

7. THE MAN TAKES THE MEAT OFF THE GRILL AND HANDS IT TO THE WOMAN.

8. The woman prepares the plates, the

salad, bread, utensils, napkins, sauces, and bring them to the table.

9. After eating, the woman clears the table and does the dishes.

And most important of all:

10. Everyone PRAISES the MAN and THANKS HIM for his cooking efforts.

11. The man asks the woman how she enjoyed “her night off.” And, upon seeing her annoyed reaction, concludes that there's just no pleasing some WOMEN.....
